ABOUT INSTITUTE & CITY BEAUTIFUL

National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh is one of the four premier institutes established by the Government of India (Ministry of HRD) in 1967 for attaining excellence in technical education in the country with main focus on the states of the Northern Region. NITTTR Chandigarh is steadily heading to accomplish its mission of attaining a distinct position as the Centre, Par Excellence in technical education, training and research. The distance of institute from Chandigarh Railway Station is 5 kms ; from Inter State Bus Terminal, Sector 17 is 5 kms ; from Inter State Bus Terminal, Sector 43 is 8 kms ; and from Mohali International Airport is 19 kms. Chandigarh, the city beautiful is one of India's youngest cities, planned by the famous French architect Le Corbusier. It is a Union Territory and Capital of the States of Punjab and Haryana. Chandigarh is known for its planning & architecture, quality of life, high educational level and pollution-free environment. During the month of October, the temperature fluctuates between 14°C to 29°C.

NATIONAL CONFERENCE ON TECHNICAL EDUCATION- PERSPECTIVES & INNOVATIONS

October 10-11, 2019

Organized by

**CURRICULUM DEVELOPMENT CENTRE
NATIONAL INSTITUTE OF
TECHNICAL TEACHERS TRAINING AND
RESEARCH
Sector-26, Chandigarh-160019
www.nitttrchd.ac.in**

ABOUT CONFERENCE

This National Conference on Technical Education – Perspectives and Innovations will provide an excellent national forum for sharing knowledge, research ideas and case studies. The Conference looks forward to significant contributions in all major fields of Curriculum Development, Educational Management and Entrepreneurship Development by the researchers, developers, planners and administrators. Experts and eminent personalities from various Technical Universities, Colleges, Industries and Technical departments are being invited to throw light on the thrust areas of theme and interact with participants for fruitful discussion.

OBJECTIVE AND THEMES

This conference will provide a platform to the researchers and practitioners from both academia as well as the industry to meet and share their contributions in perspectives and innovations in technical education. The objective of the event is to provide an opportunity for academicians, professionals, managers, planners, administrators and all other stakeholders in technical education system to deliberate upon various issues and innovations related to curriculum design & implementation, educational management and entrepreneurship development to meet the challenges in the system. Authors are solicited to contribute by submitting papers in the following areas, but, are not limited to:

- ✓ Curriculum Design & Implementation
- ✓ National Skill Qualification Framework (NSQF)
- ✓ Choice Based Credit System
- ✓ Outcome Based Education
- ✓ Developing MOOCs
- ✓ Challenges in Technical Education
- ✓ Educational Management
- ✓ Online Learning & Online Evaluation
- ✓ Innovative approaches in teaching-learning
- ✓ Integrating Research in Teaching
- ✓ Promoting Entrepreneurship
- ✓ Innovation and Technology Transfer
- ✓ Industry Academia Integration
- ✓ Start-up Ecosystem
- ✓ Case Studies

CALL FOR PAPERS

Full-length papers covering original research work and case studies are invited on the given topics. The papers should be typed in single column on A4 size paper in double space, in MS-WORD, Times New Roman font size of 12 point. Paper should preferably not exceed 8 pages including figures, graphs, tables and references. The authors should give title of the paper, author(s) name(s), affiliation, address for correspondence including e-mail. Contributors may e-mail their submission to: headcdc@nitttrchd.ac.in

PROCEEDINGS

All papers accepted for presentation in the conference will be published in the proceedings. Extended version of few selected papers will be published in the Institute Journal.
